_____

_____

Reason for change

_____

_____

_____

Please attach a detailed diagram and a layout of the proposed changes on a plat. The plat need not be newly issued; however, it must accurately reflect the current boundaries of the lot and all existing structures, and clearly illustrate the proposed modifications.

By signing below, you acknowledge that no work may begin until the Architectural Review Board has issued formal written approval. You further agree to accept full responsibility for any damage or adverse impact caused by the Vendor or its subcontractors. Please note that a fee of $50 is required for all Minor Change Applications.
